Celebrating Transportation Research Part B

Fifty Year Anniversary

We are celebrating Transportation Research Part B's 50th Anniversary;

A flagship journal publishing cutting-edge research.

Esteemed scholars from all around the world contribute their best work;

One hundred volumes of classical papers dazzling the sky.

浪淘沙—主編感懷

莫道苦和甜，任勞任怨，日理期刊未言倦，
乘風破浪奔前沿，所向無邊。

勿問愁與歡，不倚不偏，千淘萬漉覓佳篇，
坦蕩襟懷無私念，淨土藍天。

Lang Tao Sha — Editor's Reflections

No matter bitter or sweet, being responsible, handling and reviewing editorial matters tirelessly; riding the winds and waves to navigate the journal's voyage into the future.

Regardless of joy or sorrow, being impartial, soliciting and selecting good articles diligently; serving the community selflessly to uphold academic integrity in scholarly publishing.
